LIMITED and EXPANDED CRIMINAL HISTORY CHECK

To help insure a safe environment, it is the policy of Wes-Del Community Schools to require each applicant considered for employment or volunteering with the school corporation to submit a copy of a limited criminal history report. The limited criminal history submitted to the Corporation must be no more than three months old. For applicants employed in the same position in consecutive years, but not continuously employed, a new limited criminal history check shall not be required after the first year unless specifically requested by the Corporation and/or by the Administration. Generally, new limited criminal histories shall be required every two years, and such applicants shall be required to notify the school corporation of his/her conviction in Indiana or any other jurisdiction of the offenses described in IND. CODE 20-52-8(b), and to certify upon the beginning of each term of employment that he/she has not been convicted of any such offenses.

For the purpose of this policy, "considered applicant" means any individual who is being considered for employment with the school corporation and/or seeking to enter into a contract to provide services to the school corporation and that individual is likely to have direct, ongoing contact with children as a result of the individual's position. The term includes but is not limited to volunteers, bus drivers, lay coaches, and present employees who are applying for other positions within the corporation.

Each applicant interviewed will be questioned about the applicant's limited criminal history, if necessary. Failure to answer honestly any questions related to the limited criminal history may be cause for termination of applicant if eventually hired.

If an individual applying for any position has an application on file, which has been on file for more than six months, the applicant will be required to submit an updated limited criminal history at the time of considered employment.

Each individual who is considered for employment by the school corporation for any position will be required to do the following:

- 1. Obtain a copy of a limited criminal history, (may be obtained through the school) and
- 2. Submit a copy of a limited criminal history, and
- 3. Submit in writing any convictions that do not appear on the limited criminal history.

The cost of obtaining a limited criminal history varies upon the method used to acquire the history. If the limited criminal history is obtained by the school corporation, no fee will be charged. If, however, the limited criminal history is obtained by the considered applicant, the applicant will be responsible for the cost.

Any entity which has a contract to provide services to the Corporation and whose employees have direct, ongoing contact with children when performing those services, for the school, must provide the Corporation limited criminal histories for such employees. The entity and/or the entity's employees are responsible for all costs associated with obtaining the limited criminal histories.

Any information obtained from a limited criminal history is confidential and shall not be released or disseminated.

All school employees and individuals who have contracts for services with the Corporation are required by state law to report convictions in Indiana or in any jurisdiction of certain crimes enumerated in the state law to the school corporation. The superintendent or designee is responsible for implementing regulations to notify the employees, including volunteers, and the entities for contracted services of this duty. In addition to the crimes listed in the state law, the notice shall also include the convictions of the "attempted" crimes listed in the law.

**Before employing an applicant, the Corporation shall also review the Indiana Sex and Violent Offender Registry, and any other such available registries that might contain information pertaining to the applicant. An expanded background check will be obtained. If the applicant does not have an expanded background check to provide to the school corporation (that has been run within the last 12 months) the applicant will receive an invitation from Safe Hiring Solutions to complete the necessary information to complete the expanded background check. The applicant will be responsible for the cost of the expanded background check.
